

READY TO REOPEN

Restarting Your Food Business After a Major Storm Event

Join us for an informational webinar focused on providing restoration information for food businesses that have recently experienced flooding in Western NC.

Experts from restoration and chemical hygiene companies will share specific considerations and advice on how to get your food establishment back up and running.

This will also be an opportunity to ask questions and engage in a discussion.

Dr . Dale Grinstead
Microbiologist and Chemical
Hygiene Expert

Josh Smith
Technical Director; PHC
Restoration

Brendon Rumsey
President; Rumsey
Construction & Restoration
